years of age or older, and establishes a comprehensive regulatory and licensing scheme for
commercial recreational (adult use) cannabis operations, use and possession; and,

WHEREAS, the Act establishes six (6) marketplace classes of licensed businesses,
consisting of:

1. Class 1 Cannabis Cultivator license, for facilities involved in growing and cultivating
   cannabis;

2. Class 2 Cannabis Manufacturer license, for facilities involved in the manufacturing,
   preparation, and packaging of cannabis items;

3. Class 3 Cannabis Wholesaler license, for facilities involved in obtaining and selling
   cannabis items for later resale by other licensees;

4. Class 4 Cannabis Distributor license, for businesses involved in transporting cannabis
   plants in bulk from one licensed cultivator to another licensed cultivator, or cannabis
   items in bulk from any type of licensed cannabis business to another;

5. Class 5 Cannabis Retailer license for locations at which cannabis items and related
   supplies are sold to consumers; and,

6. Class 6 Cannabis Delivery license, for businesses providing courier services for

**WHEREAS,** Section 3 of the Act defines a “cannabis establishment” as “a cannabis cultivator, a cannabis manufacturer, a cannabis wholesaler, or a cannabis retailer;” and,

**WHEREAS,** Section 31a of the Act authorizes municipalities to adopt by ordinance regulations governing the number of (1) cannabis establishments, (2) cannabis distributors and (3) cannabis delivery services, except for the delivery of cannabis items and related supplies by a cannabis delivery service based and initiated from outside of the municipality; and,

**WHEREAS,** Section 31a of the Act also authorizes municipalities to adopt by ordinance regulations governing the local licensing endorsement, location, manner and times of operation of cannabis establishments and cannabis distributors, and the location and manner of cannabis delivery services, and establishing civil penalties for the violation of any such regulations; and,

**WHEREAS,** Section 31b of the Act authorizes municipalities to prohibit by ordinance the operation of any one or more classes of cannabis establishments, distributors, or delivery services anywhere in the municipality, except for the delivery of cannabis items and related supplies by a delivery service based and initiated from outside of the municipality; and,

**WHEREAS,** Section 31b of the Act also stipulates, however, that any municipal regulation or prohibition must be adopted within 180 days of the effective date of the Act (i.e., by August 21, 2021); and,

**WHEREAS,** pursuant to Section 31b of the Act, the failure to adopt a municipal regulation or prohibition shall mean that for a period of five years thereafter, the growing, cultivating, manufacturing, selling and reselling of cannabis and cannabis items shall be permitted uses in all industrial zones, and the retail selling of cannabis items to consumers shall be a conditional use in all commercial and retail zones; and,

**WHEREAS,** at the conclusion of the initial and any subsequent five-year period following a failure to enact local regulations or prohibitions, the municipality shall again, in 2026, have 180 days to adopt an ordinance regulating or prohibiting cannabis businesses, but any such ordinance would be prospective only and would not apply to any cannabis business already operating with appropriate approvals within the municipality; and,

**WHEREAS,** section 40 of the Act permits a municipality to adopt an ordinance imposing a transfer tax on the sale of cannabis or cannabis items by a cannabis establishment that is located in the municipality on receipts from the sale of cannabis by a cannabis cultivator to another cannabis cultivator; receipts from the sale of cannabis items from one cannabis establishment to another cannabis establishment; receipts from the retail sales of cannabis items by a cannabis retailer to retail consumers who are 21 years of age or older; or any combination thereof and to set its own rate or rates, but in no case exceeding: two percent of the receipts from each sale by a cannabis cultivator; two percent of the receipts from each sale by a cannabis manufacturer; one percent of the receipts from each sale by a cannabis wholesaler; and two percent of the receipts from each sale by a cannabis retailer; and,
WHEREAS, the Mayor and Council of the City of Hackensack desire, at this time, to allow for certain classes of cannabis establishments now permitted by State law to form within the City of Hackensack in a strictly limited and controlled manner that protects the interests of the residents and businesses of the City, while prohibiting all other classes of cannabis establishments.
