CITY OF
HACKENSACK

CITY MANAGER’S
YEAR END REPORT

2023
The City Manager's Annual Report for 2023 documents a year of hard work and success of an organization that provides municipal services and programs to support Hackensack residents and businesses. From exceptional recreation facilities and special events, to infrastructure, maintenance and emergency services. This report will highlight some of the important work provided on a year-round basis by a diversified professional and dedicated workforce of the City.

I would like to thank every employee and volunteer for their exceptional work throughout the year 2023. The City has strived to protect the safety and health of our residents, and employees during this difficult time.

My office collaboratively with the City Council, the Chief Financial Officer, and all Department Heads will work to continually achieve fiscal responsibility while maintaining the highest quality of services and improving various areas of City's operations and connections to the community.

The City has completed a host of projects and purchases which will be documented in more detail throughout this report. We have worked very hard in making drastic improvements to infrastructure, and continued redevelopment which is revitalizing this City at an unprecedented level.

We are also fortunate in the City to have an elected City Council who selflessly contributes their time, energy, and intellect to ensure the proper governance of the City. It is because of the Council's thoughtful leadership that the City has been able to maintain the excellent services, programs, and facilities enjoyed by our residents while maintaining fiscal responsibility to the taxpayer and the City's future.

Vincent J. Caruso
City Manager
TAX INFOGRAPHIC - 2023

At a glance, where your property tax money goes....

- 600 Series: Good Intent Call - 664
- 700 Series: False Alarm & False Calls - 1478
- 800 Series: Severe Weather & Natural Disaster - 1
- 900 Series: Special Type – 13
- Narcan saves - 5
FIRE PREVENTION

The New Jersey Uniform Fire Code is a set of regulations that governs fire safety in the state of New Jersey. The code is updated regularly to ensure that it is up-to-date with the latest safety standards.

- State LHU registrations - 437
- Local registrations - 2978
- Penalties issued - 15
- Periodic inspections performed - 2960
- Annual Overdue required inspections- 33
- Parking summons issued - 2
- Court summons issued - 1
COMMUNITY

➢ Spreading Holiday Cheer: The Hackensack Fire Department joins in the spirit of giving by participating in multiple toy and food drives, bringing joy and support to our community.
EDUCATION

➢ From educating 2000+ students on fire safety to spreading crucial social media messages and supporting community events, the Hackensack Fire Department goes above and beyond to make our city a safer and better place. Proud to serve our community!
2023 OPERATIONS
OPERATIONS CONTINUED
HACKENSACK FIRE DEPARTMENT
SPECIAL OPERATIONS
HACKENSACK FIRE AND POLICE DEPARTMENT JOIN FORCES TO ENSURE PREPAREDNESS AND SAFETY AT AN ACTIVE SHOOTER HOSTILE EVENT DRILL
UNITING FOR SAFETY: THE HACKENSACK FIRE AND POLICE DEPARTMENTS COME TOGETHER TO LAUNCH AN INNOVATIVE DRONE PROGRAM, TAKING PUBLIC SAFETY TO NEW HEIGHTS.

• THE DRONES WILL BE OPERATED BY TRAINED MEMBERS OF THE POLICE DEPARTMENT AND FIRE DEPARTMENT, AIDING IN RAPID RESPONSE TO CALLS FOR SERVICE AND FIRE ALARM CALLS.
A fire department’s ISO rating is a determination by the Insurance Services Office by how well your department is able to serve the community. You’re assigned a score between 1 and 10, with lower numbers indicating a better score. High ISO scores can increase home insurance rates in the community.

There are less than 100 fire departments in the United States with a Class 1 rating. Insurance companies use ISO information combined with other factors to establish local commercial business and residential property insurance rates – generally offering lower premiums in communities with better protection.

Of the more than 47,000 fire departments in the United States subject to the ISO survey, only 61 are rated as Class 1. In the state of New Jersey, Hackensack, Cherry Hill and Jersey City are the only Class 1 fire departments.
TRAINING INCLUDES ISO REQUIREMENTS

• MINIMUM 18 HOURS PER MEMBER IN A 3 OR MORE STORY DRILL TOWER
• 16 HOURS MINIMUM MONTHLY PER FIRE COMPANY
• 12 HOURS ANNUALLY OFFICER TRAINING
• 60 HOURS INITIAL DRIVER TRAINING FOR NEW MEMBERS
• 12 HOURS DRIVER TRAINING REFRESHER YEARLY
• 6 HOURS ANNUAL HAZMAT REFRESHER PER MEMBER
• 240 HOURS FIREFIGHTER 1 FOR NEW MEMBERS

OFFICE OF EMERGENCY MANAGEMENT

The Office of Emergency Management is responsible for identifying Vulnerabilities throughout the City, Providing Mitigation, Maintaining a high level of Preparedness, Response, Recovery, and Coordination for large-scale Emergencies and Disasters to the citizens of The City of Hackensack. For the purpose of Reducing or Eliminating Long-Term Risk to Property from Natural Hazards and their effects along with Saving Lives and Preventing Property Damage.

The City Emergency Operations Plan (EOP) is Updated and Approved by the State of New Jersey annually.

TYPES OF DISASTER

Two Types – Natural and Manmade

Natural disasters:
- Flood
- Cyclone
- Earthquake
- Landslides

Manmade disasters:
- Disease
- Terrorist Attacks
- Industrial Accidents

Disaster risk management and the emergency management cycle

Risk reduction measures are:
- Delivered pre-impact
- Most cost-effective
- Community based
- Sustainable

Risk retention measures are:
- Delivered post-impact
- Least cost-effective
- Nationally and internationally based
- Non-sustainable

*Accelerated Tax Lien Sale (Held on 12/27/23)*
The City of Hackensack is undergoing a re-assessment again for 2024. This process enables us to keep assessments at current market values with the flexibility to change assessments accordingly, and be up to date in real time. Thereby mitigating and alleviating any large tax refunds as much as possible, and making sure taxes are allocated fairly to current market conditions.

The City’s average residential tax payment for houses and condos was $9,214 for tax year 2023, the 5th lowest of the 70 districts in Bergen County.

In 2023, we had 163 County tax appeals and 138 Tax Court Appeals filed. In 2022, we had 285 County tax appeals and 201 Tax Court appeals filed.

There were 262 residential sales in 2023. Sale prices on the average residential property are up approximately 6.5% from the prior year.

In 2023, the average house sold for $544,000 while the average condo sold for $293,700 compared to last year 2022, average house sold for $507,600 while the average condo sold for $268,000.

The City collected approximately $120,992,384 in taxes from 1,453 commercial property while only refunding $3,159,152 approximately 2.61% return rate on collected revenue for 2023 tax court appeals which also includes prior years in the refunds.

The commercial properties pay the equivalent of 62% of the tax base, the best in Bergen County. In comparison, Paramus Borough, commercial properties pay 48% of the tax bill.

*Lastly, to quote the late Supreme Court Justice Oliver Wendell Homes, “Taxes are the price we pay for civilization”*
DEPARTMENT OF PUBLIC WORKS

Hackensack Health Department 2023 Accomplishments

• The mission of the Hackensack Health Department is to promote both physical and mental health and to prevent disease, injury and disability.

Covid-19

• The Covid-19 Global Pandemic declaration has ended; however, the virus continues to mutate and is starting to be in the endemic phase in our area. As of December 31, 2023, there have been 14,405 Hackensack residents afflicted with the virus since it began in March of 2020.
• The health department provided Covid-19 vaccination and testing supplies in the HD clinic and the community
• Received Vaccine Supplemental Funding $50,000 and Public Health Infrastructure Funding grant $670,000 to enhance the department and bring sustainable health education and resources to the community.
• Provided guidance to business, residents and schools

Public Health Clinics

• Monthly child health clinics for uninsured Hackensack residents.
• Annual resident and employee Flu Vaccine Clinic
• Two Rabies Clinics for residents Dogs & Cats. Over 200 dogs and cats vaccinated

In addition, HARP Hackensack Awareness Regional Program provided health education to our students, seniors and other residents. This included various workshops integrated into our 6-week walking and wellness program. Workshops included cooking demos with Shoprite, a Yoga class Lifetime fitness, a Stretching class with Kai-Zen, involvement in the Slam Dunk the Junk Cleanup and other fitness, nutrition and stress management classes.
Various Events the Health Department/Stigma-Free Committee Participated in
Johnson Public Library

The Library won (201) Magazine’s 2023 Best of Bergen Award for Best Library in Bergen County. This is the library’s first time winning this prestigious award, which grants it special recognition among the 55 total public libraries in Bergen County.

For less than the cost of one hardcover book per household per month, the library provided access to thousands of physical and digital materials, early literacy classes, bilingual services, citizenship and ESL classes, programs for teens and seniors, museum passes, our art gallery and related programming, and much more.

Our usage continues to increase as the population grows within our City. This year, we circulated over 125,000 items, welcomed nearly 15,000 attendees to programs, and responded to 45,000 requests for support (reference questions, computer assistance and more).

The library added 1,376 new cardholders in 2023.
Thanks to the hard work of staff, Trustees, and community stakeholders, the Library completed and launched its Strategic Plan for 2023-2026 this year. The three plan goals are community engagement, welcoming space and firm foundation. This Plan provides a roadmap for the Library in achieving these goals, and therefore providing Hackensack with the Library that it both needs and deserves.

The Library received a 100,000 dollar Community Development Grant from the County to renovate two smaller restrooms in the Children’s Department into an accessible family restroom. Work for this will be completed in March of 2024. Additionally, the Library completed a large fire suppression project on the lower level, the final connection for which will be completed in January of 2024.
• We prepare a better place for our people. Sports change lives. Together we are a dynamic entity that will continue to consistently deliver the high level of quality the entire community wants, needs, and deserves. We are steadily establishing effective partnerships and connecting with all of our people here in Hackensack and throughout Bergen County by means of parent portals, social media outlets, the local newspapers, our city website, and personal sources of community outreach.

• Our vision for the future is rooted in a commitment to excellence and equity. We work collaboratively to identify innovative approaches that respond to the evolving interests and needs of our community. This involves expanding support for our dedicated staff of Recreation Leaders, strengthening support for families, providing high quality sports-specific instruction, holding high expectations and belief for ALL, and, above all, fostering an environment where every human being thrives.

Special Community Events, Functions, Programs, and Trips in 2023

- Juneteenth
  - Our commemoration of emancipation represents an awakening of freedom, independence, and self-awareness celebrated throughout our entire community for eternity.
- 4th of July
  - The best fireworks celebration in New Jersey with family and friends, food trucks, fun games, and performances by Fillet of Soul.
- Summer Camp
  - Our program promotes a positive atmosphere that provides educational, social, and cultural enrichment activities that play an integral part in the lives of our young people.
- Senior Luncheon
  - This was an extraordinary experience for our Seniors and our staff in building quality relationships around food and fun entertainment.
- Halloween Party
  - Our Halloween Party was a major success filled with treats, magic shows, arts and crafts, music, and a mini parade. We expect an even bigger celebration next year.
- Veteran’s Day Ceremony
  - We commemorated the service of Veterans of all wars with many local organizations memorializing our Veterans with the presentation of their wreath to the Circle of Honor.
- Writing and Painting Class
  - Our Writing and Painting Class has nurtured our young people’s writing skills and encouraged creativity and self-expression. By the end of this program, each participant masterfully completed their own book that was published on Amazon.
- 100+ Turkey Giveaway
  - We had an amazing 100+ Turkey Giveaway right before Thanksgiving sponsored by Forte Ristorante and Shop Rite of Hackensack.
- Football and Cheer Banquet
  - Our Jr. Football program and Jr. Cheer program celebrated their season at our first Banquet hosted at the Recreation Center. We had a great turnout, and the food was amazing.
- Senior Trip to Hunterdon Hills Playhouse
  - An amazing Christmas extravaganza shared with our Seniors that’s purely enjoyable every year.
- Children’s Holiday Party
  - With HACPRC & 61 Club

HACPAC Highlights of 2023

This was the first full year under the leadership of HACPAC inc. We have met and exceeded our attendance numbers to pre-pandemic levels.

January:
- Pac the House event “C4 trio” performed to a sold out house. C4 Trio is a Grammy award winning Latin American guitar group that performed to s SOLD OUT house.
- We also had 2 performances of “Howdy Stranger Improv. Comedy night”

February:
- Our Black History Month Programing included:
  - A talk back series with local Author and writer of the NY times best selling book “When Broadway was Black” The story of “Shuffle Along” Caseen Gaines
  - We also performed an original musical written and produced by African American Composer and writer, dealing with PTSD in the Black community, entitled “Second Time Around”
  - There was also another SOLD OUT Pac the House Performance of a “Couch Band” out of Boston.

March:
- For women’s history month we had a series of one act plays entitled “Corrected”. The plays were produced by an all-female theater organization.
- Bergen Catholic High School performed 3 productions of “The 25th Annual Putnam County Spelling Bee” almost selling out for each performance.
- Hackensack High School performed 4 sold out productions of “Chicago High School Addition”
- A sold-out Pac the House series performance by the band leader from Dancing With The Stars, Grammy Award Winner and NJ native, Ray Chew

April:
- Jump start community action group of Hackensack performed an original play student written and performed. “Think Twice Little Gangsta”
- Howdy Stranger Improv. Comedy troupe performed
- Parisian Beauty Academy held there annual year end academic awards at the HACPAC for both the morning and evening sessions
May:
- Pac The House series continued in May with Bria Skonberg a Grammy award winning jazz trumpet player and singer. This event was sold out.
- The tony award-winning play “Steel Magnolias” had 5 nearly sold-out performances and was nominated for 2 NJACT Perry awards.

June:
- Hackensack Health Department had a talk back presentation with guest speakers entitled “Strong Like a Woman”
- J Irwin Productions presented a LGBTQ stand up comedy night to a sold-out house.
- Hackensack Theater Company had 5 performances of an original comedy musical by Star Kid entitled “Trail to Oregon”. 2 of these performances were sold out.
- The Northern New Jersey Community Foundation held a invite only film screening and talk back.
- We held numerus dance recitals by local dance companies: Kavita Dance Company, Studio 245 Dance company, Soul Expression School of Dance.

July – August
- In July and August, the HACPAC moves outside to Atlantic Street Park and uses the HACPAC as a rain and excessive heat location.
- HACPAC was also the home to the Recreation Department Theater Camp Program which performed “Once On This Island” to a sold out house.
- Every event listed below were all held in Atlantic St. Park and attended to almost capacity and had record breaking numbers of participants.
  - 18 Sunset yoga sessions
  - 5 Shakespear in the park performance “Othello” and “Mid-Summer Nights Dream”
  - 7 Sounds of Summer Concert Series performances
  - 4 Movies Under the Stars Events
September:
- Because of the popularity of sunset Yoga, we added 3 additional sessions.
- The Main Street Business held a dinner under the stars event in Atlantic Street Park and the gallery at HACPAC.
- “The Italian Chicks” Stand up comedy night had an almost sold out performance.
- Howdy Stranger Improv Comedy held an Improv night.

October:
- The Main Street alliance used Atlantic Street Park / The gallery and for the annual Octoberfest event.
- Howdy Stranger held an improv and stand-up comedy night.
- Nittoli Enterprises held a private screening of the film that they produced “Does the Band Eat” (Seen on Amazon Prime) for the cast and crew.

November and December:
- Late November and early December had the return of the HACPAC annual family holiday musical “The Christmas Caper”. There were 9 performances with the highest attendance numbers in the 6-year history of perfuming this show. 2 performances were sold out and 1 was nearly sold out.
- New Hope Baptist church held a private performance and Christmas Party.
- School of Rock in Maywood New Jersey held 2 recital performances for students and both were sold out.
- The Recreation Department held their annual children’s holiday party at the HACPAC.
- Howdy Stranger Improv Comedy had an Improv comedy night.
- Field Station Dinosaur returned for 3 sold out performances of “Dinosaur Dynamite”.
2023 saw record breaking numbers for our 2 volunteers clean up events “Slam Dunk the Junk” Our participating numbers are increasing every year, and we were recognized by The Clean Communities Organization of our outstanding participation on social media of photos of our clean up days, and acknowledged our large participation.

- Our spring “Slam Dunk the Junk” Clean up (Held in early June due to weather related cancelations) Had the highest attended event with 52 local Non-Profit organizations attending and having 410 Participants. We gave out $26,000 in grant money to the organizations that participated.

- Throughout the school year Clean Communities sponsored an assembly program for the elementary schools in the Hackensack School System called “Professor W’s Earth Science litter abetment and Recycling” show. It was performed at:
  - ECDC School
  - Jackson Avenue School
  - Nellie K. Parker School
  - Hackensack Middle School
  - Fanny M. Hillers School.

- Our Fall Clean up had 390 participants from 44 different Hackensack Non-profit organizations. We gave out $22,000 in grant money from Clean Communities.

  - Decrease from previous year: -27.8%
FINANCE & AUDITING DEPARTMENT

2023 Highlights

• For the second consecutive year, City Department expenditures on salaries are almost exactly the same as last year.

• Dept. Other Expenses increases by 201% over 2022, bringing total Current Fund spending slightly up over the previous year. Parking Utility expenditures decreased slightly in 2023.

• Health Benefit expenditures exceeded the budget by almost 16% and spending rose by $3.2 million in 2023. Employees and retires are continuing to have procedures performed that were postponed during the Covid pandemic. This, together with inflation is driving up our costs for the second year in a row. Steps have been taken to try and minimize the increase, but this will increase the 2024 budget significantly.

• Expenditures for Workers’ Compensation claims also increased by 20% in 2023 over 2022. This will also impact the 2024 budget.

• There was another substantial increase in Capital spending for the second year in a row, as the City fully resumed projects that had been stalled because of the Covid pandemic.

• Spending from City Trust Funds dropped by almost 25% in 2023.

• Expenditures from Developer Escrow accounts also dropped significantly, as more projects camo to fruition in 2023.
INFORMATION TECHNOLOGY
FRANK BORRELLI & LEO BATTAGLIA

• Updated Security Protocols
