GUIDELINES FOR APPLYING TO CITIZEN ADVISORY BOARDS, COMMITTEES, & COMMISSIONS

1. Please submit one application per board, committee or commission desired. The application will be kept on file for two years.
2. To allow a large number of citizens to serve on boards and commissions, City policy generally provides that a person may serve on only one standing board or committee at a time. This policy does not apply to ad hoc committees, departmental appointments, or positions that are designated for members of a specific advisory group, or those established under law.
3. Current board and committee members must submit a new application at the end of their term if they wish to reapply. The deadline for applications from incumbents is the same as the deadline for new applications. All appointments are made for January 1 of the new year unless otherwise needed due to vacancy, resignation, or for reasons otherwise established by the City Council.
4. This application will be considered a public record and may be subject to an open public records request.
5. In accordance with the Local Government Ethics Law, N.J.S.A. 40A:9-22.1 et seq., annual Financial Disclosure Statements must be filed by appointees to certain boards, committees and commissions. For more information please go to: <https://www.nj.gov/dca/divisions/dlgs/resources/fds.html>

I verify that the information provided herein is true and complete. I understand that false or misleading statements may be cause for elimination from consideration or removal from office following appointment.
